1 I, David Kraska, pursuant to section 1746 of title 28 of the United States Code, hereby declare
2 under penalty of perjury that the following is true and correct to the best of my knowledge, information,
3 and belief:

4 1. I am Chief Counsel, Environmental, at Pacific Gas and Electric Company (the “**Utility**,”
5 and, with PG&E Corporation as debtors and reorganized debtors, the “**Debtors**,” or, as reorganized
6 pursuant to the Plan, “**PG&E**” or the “**Reorganized Debtors**” in the above-captioned chapter 11 cases
7 (the “**Chapter 11 Cases**”)). I submit this Declaration in support of the *Reorganized Debtors’ Twenty-*
8 *Fourth Omnibus Objection to Claims (Plan Passthrough Environmental Claims)* (the “**Omnibus**
9 **Objection**”),¹ filed contemporaneously herewith.

10 2. In my current position, I am responsible for overseeing all substantive environmental
11 legal matters for PG&E. This includes matters related to licensing and permitting, compliance,
12 environmental remediation, and litigation arising under any Environmental Law as defined in the Plan.
13 I am generally familiar with all matters relating to the actions taken by and against the Utility pursuant
14 to any Environmental Law as defined in the Plan. Except as otherwise indicated herein, all facts set forth
15 in this Declaration are based upon my personal knowledge, the knowledge of other Utility personnel
16 working under and alongside me on this matter, my discussions with PG&E’s professionals and various
17 other advisors and counsel, and my review of relevant documents and information. If called upon to
18 testify, I would testify competently to the facts set forth in this Declaration. I am authorized to submit
19 this declaration on behalf of the Reorganized Debtors.

20 3. In the drafting and negotiation of the Plan, my team and I worked with AlixPartners, LLP
21 (“**AlixPartners**”), which provides interim management services to the Debtors and Reorganized
22 Debtors, to create a list of Environmental Claims under the Plan, comprising HoldCo Environmental
23 Claims and Utility Environmental Claims. For both types of Environmental Claims, holders are entitled
24 to pursue their claims against the Reorganized Debtors as if the Chapter 11 Cases had not been
25 commenced. This list formed the basis of **Exhibit 1** to the Omnibus Objection.

26 4. The Omnibus Objection is directed at Proofs of Claim specifically identified in
27

28 ¹ Capitalized terms used but not otherwise defined herein have the meanings ascribed to such terms in
the Omnibus Objection.

1 **Exhibit 1** to the Omnibus Objection, in the column headed “Claims To Be Expunged,” and referred to
2 in the Omnibus Objection as “Plan Passthrough Environmental Claims.” **Exhibit 1** was prepared by the
3 AlixPartners team from information provided by me, and I have reviewed it to confirm its accuracy. I
4 am familiar with it, its contents, and the process under which it was prepared. To the best of my
5 knowledge, information and belief, **Exhibit 1** accurately identifies Claims designated as HoldCo and
6 Utility Environmental Claims in the Plan.

7 5. Each of the Plan Passthrough Environmental Claims identified on **Exhibit 1** will pass
8 through the Chapter 11 Cases unaffected by the Plan, as provided for in sections 4.10 and 4.30 of the
9 Plan. As stated expressly in these sections, these Claims are unimpaired, and the holders of these Claims
10 are free to pursue them unaffected by the Plan.

11 Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and
12 correct to the best of my knowledge, information, and belief. Executed this 8th day of October, 2020, in
13 San Francisco, California.
